Section 11 – PERFORMANCE

1a) Amendment Adopted August 3, 2009

The Board of Adjustment is imposing a three year time limit for the construction of a residence when a conditional use permit is granted for the construction of a garage and/or any other structure prior to the residence.

After the three year time limit the permit will be automatically renewed at \$500.00 per year. If the fee is not paid it will be assessed to the property.
